Gentlemen

I send you by Ex (pre-paid) 24 and 1 Card (no value) Tokens - You can set your own figures when you sell them - This is nearly all the duplicates I have, except the common lead check tokens. I have one more of 1 Newport and 1 Swiacki and two of 2 York - and 3 or 4 of the 4 Bellville -

Mr. McLachlan wrote me for rubbings of about 20 tokens unknown to him, which I gave, and for a few that he could not procure any answers to his letters, requested the names of the right parties to write to. In a few cases he has been successful, but I do not think I had any duplicates (except 2) which I exchanged with him -

Sincerely Yours

Gentlemen

I am receiving a great many letters from all branches of the Presbyterian Church in regard to the merits of "Communion Tokens" and all are pleased with it, and many express that the work was commenced now too soon.

Some are to write articles for their respective papers and magazines on the subject of Tokens. They had no idea that the field was so broad and rich in Church history.

Sincerely

Thomas Warner

Gentlemen

Your favor with coins come to hand. I will take all except No. 16 at 1.25 I have a good one. A few of the Spanish Coppers are not as good as I would like and when you get better ones I want you should exchange for the different. Philip III to Ferdinand VII. If the Engraving is fine I would like it. Do you know when it was engraved and where? Please credit Mrs Warner on a/c Draft $20.00 and also find Draft for Mr. Rufalar 6.87. He is home now and a letter from him, says he is very much pleased with his coins. In your bill of coins of January 14. 1890. you charged me for Don Carlos 5 7/10 2.00 I bought 5 for 2.5 are they dated. Sorry to learn that this fine warm weather finds your Mother still in her long spell of ill health.

Sincerely Yours Thos. Warner

Mr. E. H. & H. Chapman

The catalogue of the "Parmelee Collection" came this morning. This is the first time I have seen the face of our friend Lorin G. Parmelee.

It would be idle for us to make any extended bids in this sale for I am aware it is a casket of gems and it will take a long purse. However if No. 660 should go at any thing reasonable I would like one for one of this date. My collection contained 4 of these fortlings and they sold for 16th. I expect these will bring from 25 to 50 each. You did not answer about the portrait of Baron Steuben. Thanks for the catalogue

Sincerely Yours.

I received a letter yesterday from R. H. Cole Esq. Ottawa, Canada, who wants a priced catalogue of the Thomas Collection — I answered him that I could furnish one illustrated for $8.00 and a plain one for about 1.00 exclusive of postage —

Yours truly
Thomas

Gentlemen

"Baron Stiubon" came to hand. It is very fine and shall hand a good frame.

I think the Parmelee Collection is worthy of a better catalogue and must says it is a very ordinary and cheap affair. I shall be surprised if he is satisfied with it; and why should he placed it where he did?

Yours Truly

Thomas Warner
